THE ASHWAMEDH WAY

A school that feels like family.

Founded in 2025 by Bhausaheb Yuvraj Mali and managed by Shree Krishna Foundation, Ashwamedh Dream International School brings modern learning and enduring values together in Titwala East.

Here, learning is more than a lesson to remember. It is a question to explore, a skill to practise and a spark that helps a child discover who they can become. We believe in nurturing each child with the attention, encouragement and warmth of a second home.

OUR VISION

To make education loved by all and nurture physically and mentally strong, confident minds ready to shape a better future.

OUR MISSION

To make learning powerful and meaningful through practical experience, creativity and conceptual understanding, while inspiring children to follow their passions.

OUR VALUES

Discipline • Confidence • Creativity • Leadership • Respect • Honesty • Responsibility • Innovation • Communication

YOUR CHILD’S JOURNEY

Little beginnings. Limitless possibilities.

Our currently available classes are Playgroup, Nursery, Junior KG, Senior KG and Grades 1–5. Entry starts from age 2; please contact the office for class-specific age eligibility.

Learning approach: activity-based, play-way, practical and project-based learning, supported by smart classroom experiences and individual attention.

Languages: English, Marathi and Hindi. Boards: ICSE, CBSE and Maharashtra State Board. Please ask the school about board availability and affiliation details.

A WORLD OF OPPORTUNITY

Smart classrooms, computer and science labs, library, playground, CCTV, transportation, medical facilities, digital learning, music, dance, sports and art & craft.

HOW TO BEGIN

1. Contact the school or make an admission enquiry. 2. Schedule a visit and discuss the right class. 3. Submit the required documents as guided by the school office.

Documents: leaving certificate, birth certificate, Aadhaar cards of the child and both parents, and passport-size photographs. The school office can clarify what applies to your child.
